Better Microsoft Teams Meetings Workshop

Online | Three 3-Hour Sessions | \$1,895

Who Should Attend?

- Trainers who want to deliver programs interactively on MS Teams
- Business leaders who pitch, run meetings, or present using MS Teams
- Anyone feeling stuck using this robust, clunky and intimidating platform.
- Prerequisite: Basic knowledge of MS Teams (ability to log in, start/host a meeting).

Results & Takeaways

- Recognize differences of MS Teams as a collaboration engine vs simple video conferencing
- Practice using built-in tools like whiteboards, chat, video, polls, breakout rooms, and content sharing
- Experience techniques and apps that foster active learning
- Discuss how to set up, facilitate, and debrief group work and learning activities
- Gain a framework to make meetings of any size interactive and engaging
- Structure sessions to avoid painful silence, disruptions, and distractions—and get buy-in from the get-go
- Takeaway templates and activities with step-by-step instructions
- Deliver stronger pitches, lead better meetings and facilitate with polish and poise

Become an MS Teams whiz by leveraging built-in tools and apps that make meetings exciting and fun. Practice using the platform and gain repeatable processes to nail your meeting or training every time.

Pair with the Creative Training Techniques® Conference to earn a professional certification in Online Training.
