THE BOB PIKE GROUP Engineer Curiosity

Presentation Skills Workshop

In-Person | 2 Days | $1,895

Who Should Attend?

- Professionals who want to establish credibility when presenting, even with higher ups
- Subject matter experts tasked with explaining information in a clear and concise way
- Trainers looking to add polish and poise to their platform skills
- Anyone who speaks to groups occasionally or as a regular part of their job

Results & Takeaways

- Follow a 4-step process to create engaging presentations
- Explore how to open strong and immediately grab attention
- Practice new techniques and receive valuable feedback
- Discover effective ways to manage any type of audience
- Refine your own content into a powerful, polished presentation
- Transform from subject matter expert to confident speaker
- Master methods to control your nerves
- Incorporate interaction and a closing anchor to make your message memorable

Become the presenter everyone listens to.

Pair Presentation Skills with the Creative Training Techniques® Conference to earn a professional certification in Facilitation.
