

THE  
BOB PIKE GROUP Engineer Curiosity

# Beyond Basics— the Art of Training Workshop

**2 Days | \$1,695 | \$1,495\*** } \*Early Bird

## Who Should Attend?

- Previous participants of Train-the-Trainer Boot Camp (recommended)
- Trainers who want to elevate and polish delivery skills
- Instructors who must create impactful training sessions
- L&D leaders tasked with improving training results

## Results & Takeaways

- Master and apply slide design shortcuts that transform dull decks into engaging presentations
- Recognize demotivating factors and employ motivating strategies for diverse learning styles
- Gain a cache of techniques that help to address and manage challenging behavior effectively
- Use active learning techniques that transfer training skills back to the job
- Examine top training technologies to elevate your delivery
- Differentiate the roles of trainer, presenter, and facilitator—and determine the best context for each approach
- Determine which positions benefit most from on-the-job training
- Develop insightful questioning techniques to debrief activities and gauge audience understanding

Pair with the Creative Training Techniques® Conference to earn a professional certification in Delivery Training. [BobPikeGroup.com/Certification](https://BobPikeGroup.com/Certification)

\*Early Bird Price: Register 45 days in advance to receive discounted pricing.

# Beyond Basics—the Art of Training, springboards off Train-the-Trainer Boot Camp’s models and brain science into the practical application of Creative Training Techniques®.

Over two days, obtain knowledge and tools to craft impactful training sessions. Expand your ability to lead dynamic discussions and debriefs. Sharpen your delivery edge with top technologies for the modern trainer. Takeaway job aids, templates, and an action plan of your own.

Interested in team training? We come to you. Save time and money when you bring the Train-the-Trainer Boot Camp on location for groups of 6 or more.
